

We make it easy

We make the transition to a new country and culture as easy as possible. As a foreigner, we will tell you what is required to own property in Mexico. We will answer your questions truthfully, share our experiences, facilitate and expedite whenever possible.

We have available an up-to-date and robust list of resources for you, websites and on-line magazines.

Join us in the journey. We have much to offer, so much information to share, and would really love to show you around the area.

We have made many good friends during this process.

**Are you ready for a change,
ready for an adventure,
ready for near perfect
weather all year round,
ready to be embraced by a
warm and welcoming
English-speaking
community and ready for a
lower cost of living?
Then maybe...**

**You are ready to consider a
move to Lake Chapala!**
